Phone: 0049 (0)5207 9504-0  
Fax: 0049 (0)5207 9504-20

## **Product description**

When putting together functional aluminium entrance mats, whether for indoor or outdoor use, you have the choice in our range between variants with rubber and brush inserts or those with plastic carpet. The designs are suitable for different zones - from coarse dirt to dirt reduction. Entrance mats ensure that indoor areas can always be entered with as dry and clean feet as possible.

## **Dimensions**

The entrance mat is not a standard product and is manufactured exclusively on customer request.

## **Materials used**

We only use European materials from Germany, Sweden, France and Italy for our products.

Further installation and usage instructions as well as information on the material can be found at: <https://www.richard-brink.de/en/downloads/overview.html>
